The Good

No injuries to report to the AMA! We did have a few scrapes and perhaps a broken toe or two. There could have been more with all those ferns! I hope you had a great time at this year's event! This year you had quite a mix of trails. You got to ride the infamous "Sticks and Stones", "Satan's Slide", "Beaver Slide", "Ginger", "Ruple's Chicken Chicane", "Reid's Ridge", "Frank-n-Stein" and "Mongos". Next year perhaps we will throw the "Bungee Jump", "Psycho Path", and the "Plunge" into the course mix.

The "Sportsman" of the event has to be Spencer Foley. Spencer rode Bradley Hillman double up on his Honda XR to the next event control point when Bradley ran out of gas. Spencer did not finish the event, but the Lobos are honoring him with a Gold medal for such an unselfish act.

The Bad

Fortunately or unfortunately depends on your viewpoint, they were logging the area again this year and we had to make some last day course changes that put you on some loamy skidder trails. But on the positive side, since the Tillamook Forest is an active forest, we have all those neat trails created by logging to ride.

The Ugly

At the riders meeting remember I stressed that everyone working on the event is a volunteer, and if you rock them I will disqualify you for "Unsportsmen like conduct". Well my volunteers working the start of Special Test 3 came in fuming about being rocked by rider 108. I had no choice but to disqualify that rider for his actions.

On behalf of the Lobos M/C it has been our pleasure hosting this event and hope you all come back for the next Lone Wolf!

The Lobos meet every Thursday at 8:30pm in Clackamas. All riders are welcome!

To get to the Club House:

Take the Estacada exit (Hwy 212 and 224) off I205.

Head east for 1 block then turn left onto 82nd Drive.

Head North on 82nd drive for about 6 blocks.

Turn right on Tolbert.

At the end of Tolbert is a yellow Quantsun hut (that's it)!

See you there!
