Thanks, riders and volunteers, for making this another **great** year at the China Hat ISDE.

**Special Test one**

Our excellent club emergency response team, volunteer HAM radio crews, Nat. Forest and Deschutes County personnel responded to a seriously injured rider in special test 1. Along with the very thoughtful riders who stopped to help, many other riders were substantially and necessarily slowed in that section. Therefore, the times for Sp Test one are FYI only and are not included in the event totals.

Also, all late penalty points accrued at Check one have been eliminated.

**Penalty Points**

- 10 Machine failed to start and travel the required 66 feet within the first minute
- 60 Speeding in the pits.
- 70 Early entry into impound
- 120 Speeding in the pits.
- 300 Starting the engine in the starting area, before the rider's start minute comes up
